## Training & Placement

The Training & Placement Cell of the University aims at making available quality placement opportunities for students and at maintaining linkages with Industry and Research Organizations. The Cell would be entrusted with activities to be organized throughout the year in order to prepare the students for campus selection programmes. It would strive at providing a supportive environment to the latest Management Education offered by the University for raising social consciousness and personality development. Decisions related to selection of companies visiting the campus for recruitment are broadly based on parameters like : job profile, growth prospects, packages and number of students the company intends to select. The Placement Cell endeavors at :

- ✦ Liasoning with Industry to provide ample opportunities for placements.
- ✦ Final Placement of all students.
- ✦ Arranging Corporate/Industry Guest Lectures.
- ✦ Organizing Industrial Visits.
- ✦ Develop Personality of the students by imparting the need-based training.
- ✦ Counsel students about Industry Practices & improve their Emotional Quotient.

## Hostel

To provide safe, secure and affordable residential accommodation to the students who come from far off places to this apex centre of learning, the Central University of Kashmir has set-up a hostel at its Transit Campus, Sonawar. The university hostel is aesthetically laid out with plenty of open space and a lush green lawn in its front. The hostel possesses all kinds of amenities for making the living of the boarders comfortable and enjoyable. Safe drinking water is available by means of aquagurad and water purifiers installed in the mess and dining hall of the hostel. There is a local market near the hostel having the facility of PCO, Fax etc. thus catering to day to day needs of the boarders. The bus stand, railway station and airport are connected with public transport from the hostel of the University. Living in the hostel of Central University of Kashmir pre-supposes high degree of integrity, consciousness, cooperation, tolerance and hard work for a glorious career.

## Medical Consultation

The University has initiated the process to hire the services of a Physician who would visit the Campus twice a week to give free medical consultation to the students.

## Merit Scholarships

The University has instituted "Merit Scholarships" to be awarded to two meritorious students of every semester of various programmes. The amount of scholarship is Rs. 1,000/- p.m.

## Student Safety Insurance Scheme

The University takes "Student Safety Insurance Policy" for all its students at the commencement of each academic year from a Nationalized Insurance Company. A student is required to contribute a small amount towards Student Safety Insurance Policy per annum. Under this insurance scheme, student can claim reimbursement upto Rupees One Lac in case of hospitalization or accidental death.

## Special Provisions for SC/ST Students

To promote the cause of higher education for students from weaker sections of the society, the University is providing special facilities for SC/ST and Physically Handicapped students. The University provides reservation in respect of the SCs/STs as per the Government of India / UGC norms. SC/ST candidates are also exempted from payment of registration fee when they apply for admission. In addition to this, in order to maximize their opportunities for higher education, the provision of interchangeability is operated between SCs and STs in filling the seats reserved for these categories.

## Browsing Center

The Browsing Centre has been established with a view to facilitate, foster, and support the essential teaching and research goals of the University by making available computing and internet services to the university faculty, staff, and students. As part of teaching process, all students have access to computers for their course or project work. Its facilities are also used in work related to administration such as recruitment, academic, examinations, finance etc.
