

ICAL-2018

3rd International Conference of Asian Libraries

Building Smart Libraries: Changes, Challenges, Issues, & Strategies

Jointly Organized by
Central Library, Central University of Kashmir (CUK), Kashmir
&
Asian Library Association (ASIALA), New Delhi
August, 06-08, 2018

Venue: Campus- I, Central University of Kashmir, Nowgam, Kannipora Road, Srinagar, Kashmir, 190015, J&K, India.

About the Conference

The concept of smart libraries involves developing, transforming and repositioning libraries to innovate and strive for improvement. Smart libraries have transformative impact on users to operate according to high professional standards, ethical principles and values.

These libraries, exemplify knowledge-based organizations, use research and data to build understanding, make decisions and decide the future, focus on laws, principles, ambiguity, uncertainty to create positive outcomes and constructive relationships.

Smart Libraries must demonstrate efficiency and effective Economy in purchasing resources. Smart libraries require vision, values and goals, frameworks and evidence for service development, collection management, evaluation,

and quality control. Smart libraries play a major role in the creation of networked and more sustainable communities.

Smart Libraries in smart cities is need of an hour in all the countries particularly in India where smart cities concept is flourishing

The overall purpose of conference is to examine this transformational process into smart libraries and positioning the Library as a key player for sustained engagement and capability building of Library staff, Massive Open Online Courses (MOOCs) development team and learners, working in partnership with stakeholders to embed academic skills development within curriculum and developing high quality learning resources and tools that are interactive, engaging, collaborative.

About Kashmir

Jammu and Kashmir, India's one of the most picturesque state lies on the peaks of Himalayan Ranges with varying topography and culture. Set like a jewelled crown on the map of India, Kashmir is a multi-faceted diamond, changing its hues with the seasons – always extravagantly beautiful and is bestowed by nature with superb blessings in the guise of enchanting beauty reflected in its picturesque landscape, lush green meadow, forests of deodar, pine, chinar trees besides, beautiful brooks, dancing rivers and bewitching waterfalls, snow covered mountains and a range of flora and fauna. It has remained seat of learning, knowledge & wisdom and epicentre of spiritual discourses since centuries past. Kashmir a land, rich in literature and languages during Hindu & Muslim periods attracted scholars and saints who felt proud to be here. Scholars and men of letters from other parts of world would come to Kashmir for studies and perfecting their philosophies and practices.

Kashmir is famous for different historical Mosques, Shrines, Temples, Gurudwaras, churches and tourist resorts/ places. The delegates can visit these historical tourist/ Sacred places. Srinagar is located in the heart of the Kashmir Valley At an altitude of 1,730 m above sea level, spread on both

sides of the river Jhelum. The Dal and Nigeen lakes enhance its picturesque setting, while the changing play of the seasons and the salubrious climate ensures that the city is equally attractive to visitors around the year.

Further, the Holy Yatra to Shri Amarnathji Cave, situated in a narrow gorge at the farther end of Lidder valley, starts from June 28, to August 26, 2018. Interested delegates can also visit the Holy cave only after proper registration which starts from 1st week of March, 2018 at different registration centres identified by the J&K Government.

About Central University of Kashmir

On the recommendations of National Knowledge Commission, the Ministry of Human Resource Development, Government of India, established 16 new Central Universities all over India including the Central University of Kashmir (CUK), which was established in 2009. At present the university administration operates from the Nowgam, Srinagar near Puhroo Bypass (Nowgam II Campus) and has 4 additional Academic blocks at Sonwar, Nowgam and at Physical Education College, Ganderbal. The site for the permanent campus of the University has been allotted at Ganderbal Kashmir 15km from Srinagar city. For more details, please visit Central University of Kashmir website www.cukashmir.ac.in

About University Library

Central Library was established in 2009 with the establishment of the University. The CUK Library System endeavours to cater the information and learned needs of its users. The CUK Library System offers services to its clientele at four different campuses: Nowgam Campus-I, Nowgam Campus-II, Nowgam Campus-III and, Sonwar, Srinagar. The electronic resources can be accessed through remote access also.

The library collection includes both print and online resources and offers access to e-books related to the different fields of Science, Social Sciences and Humanities. It also offers online access to more than 7000 journals via e-Shodh Sindhu Consortium (INFLIBNET). In addition, the library offers access to various important databases. For more details, please visit Central university of Kashmir website: www.cukashmir.ac.in/library.

About Asian Library Association

Headquartered at New Delhi, the Asian Library Association (ASIALA) is an international library association, formed to play an important role in the promotion of librarianship as a profession vital to an informed and knowledgeable society and puts emphasis on the professional development of LIS community through advocacy, peer networking, and leadership development through idea generation and many other initiatives.

It works in the strategic areas of the profession to further the library interests, library institutions and library & information services and help library fraternity to engage in

actions which develop group consciousness and respond to the public interest in ways which achieve socially and professionally desirable goals.

It further acts to provide an organizational framework in which to discuss future plans, organize committee activities, promote library studies and surveys, encourage the development of new tools, issue the resulting publications, lobby for legislative support, policies and planning necessary for the larger cause of library profession. For more details, please visit ASIALA website: www.asiala.co.in
