

Student Mentorship Programme (SMP) Application Form

Dear Student,

The CUKmr Student Mentorship program enables constructive interaction, guidance and mentorship for 1st semester students by their teachers (mentor). Mentoring is a particular form of relationship designed to provide personal and professional support to you. The mentor is generally more experienced than the mentee and makes use of that experience in a facilitative way to support and promote the development of the mentee. The mentoring relationship provides a developmental opportunity for both mentor & mentee and can thus be of mutual benefit. In a nutshell, a mentor's role may be perceived to be facilitative, supportive and developmental for you. Kindly fill this form to enter to the SMP.
