

Course Title: Law of Crimes - I
Course Code: IL-C-303

Course Objective: The course is designed with specific consideration to make the students of BALLB aware of the conceptual and historical dimensions of the crime. The emphasis in this paper has been made on group liability, general exceptions negating criminal liability and offences against public tranquillity. Further, in this paper, students will be kept abreast about the inchoate crimes including, the law on abetment, criminal conspiracy and attempt.

Course Outcome: After learning the course, students will be able to:

1. Make the difference between crime, sin & moral wrongs.
2. Make a difference between criminal law and civil law.
3. Explain the jurisdiction of criminal courts in India.
4. Comprehend different elements of crime and related concepts like causation-factual and legal causation.
5. Understand strict liability under criminal law.
6. Discuss the origins of our law, that is, the common law.
7. Explain fundamental doctrines of shared intention and common object.
8. Comprehend the general defences available for an accused.
9. Understand the inchoate offences.
