

Course Title: Legal Drafting and Advocacy  
Course Code: SEC-106-LDA

**Course Objective:** The course's main objective is to train the students in legal drafting and skills of advocacy. Drafting means a composition or writing of a document in common parlance. In a legal profession, drafting is an art which means legal drafting includes various forms of legal composition. In lawyering, drafting of legal notice shall be inevitable. In every lawyering, preparation of legal notice shall be at a first level. In order to plead before the court, drafting of pleading includes criminal, civil and other kinds of pleadings. It is to be prepared following provisions of law. Usually, pleadings are statements drawn by either the party who sued or the opponent, sometimes a third party (Third Party Affidavit). The pleading shall be specific and must not conflict with the governed procedure allowed in the court. The purpose of the pleadings rule shall be access to justice and to prevent multiplicity of proceedings.

**Course Outcome:** It is a practical and clinical course; hence, the student community has to learn not only from the text but also from a practical approach. Experienced and learned advocates are used to taking part in teaching this course. After completing this course, the students will start/establish a law firm and coordinate registration work. Here is the document writer or an advocate empowered to draft deeds. The deed shall have certain legal conditions and other formalities. These are governed by contracts, property law, land laws, registration act, stamp act and other legal provisions of law. In 355 digital India, the form of conveyancing has been digitalised. The registration department has uploaded all types of deeds in their portal to make easy access of conveyancing to every citizen. The law students shall have depth knowledge in this subject matter and understand the nature of drafting in pleadings and conveyancing. After completing a law degree, students will practice before the court drafting of pleading is most necessary.
