Instructions for Question Paper
[Integrated B.Sc-M.Sc Zoology] For
04 Credit paper (60 Marks)

Section-A shall consist of eight (08) very short answer type questions carrying 02 marks each (two questions from each unit), a student shall be required to answer all the questions. Each question shall be answered in around 50 words.

Section-B shall carry (05) short answer type questions of 5 marks each (mandatory one question from each unit), a student shall be required to attempt any four (04) questions. Each question shall be answered in around 200 words.

Section-C shall carry four (04) long answer type questions of 12 marks each (one question from each unit), out of which a student will be required to answer any two (02) questions in about 500 words.

For 02 Credit paper (30 Marks)

Section-A shall consist of four (04) very short answer type questions carrying 02 marks each (one question from each unit), a student shall be required to answer all the questions. Each question shall be answered in around 50 words.

Section-B shall carry three (03) short answer type questions of 5 marks each, a student shall be required to attempt any(02) questions. Each question shall be answered in around 200 words.

Section-C shall carry two (02) long answer type questions of 10 marks each, out of which a student will be required to answer any one (01) questions in about 500 words.

General Instructions for Paper Setter

1. The questions set should be fairly distributed over the whole course prescribed for the paper and proportional weightage should be given to all the Units/Sub-units/sections of the syllabus.
2. The question paper should be duly typed on A4 Size paper with font style 'Times New Roman', font size 12, margin (LRTB) 0.75 inch **and strictly as per the format. Handwritten Question Papers will not be accepted.**
3. The question paper should be sealed and placed in the envelope clearly mentioning course code and name of the examiner on the envelope.
4. The question paper set should enable a candidate having good knowledge of the subject to answer the required number of questions within the allotted time.
5. The marks allotted to each question be written clearly and if the question is divided into parts, marks of each part should also be indicated in the question paper.
6. The paper setter in papers involving mathematical problems should enclose solutions to these problems along with the question paper.
