About University

The Central University of Kashmir has been established in 2009 along with other new Central Universities by an Act of Parliament (No 25, of 2009). Central University has completed a remarkable journey of 12 years. The university has a mission of providing a wide range of instructional and research facilities across integrated and cross-disciplines, promote innovation in teaching, learning and research, and cross-pollinate new ideas, new technologies and new world-views. It has 19 departments and 9 schools; School of Engineering & Technology, School of Education, School of Languages, School of Social Sciences, School of Life Sciences, School of Physical & Chemical Sciences, School of Business Studies, School of Legal Studies and School of Media studies. It offers PG and Ph.D. Programme in these disciplines. The curriculum focuses on research, skill development and entrepreneurship.

The University has been a forerunner in terms of research projects and publications amongst the newly established Central Universities which is evident from the Faculty to Projects and Faculty to Publications Ratio. The mission of the University is to contribute to the educational, cultural, economic & social advancement of people providing high quality educational Programme leading to Bachelors, Masters, Professional and Doctorate Degrees as well as to address the cultural, economic, educational, environmental, health and social needs of the region and nation at large.

About the Department of Education

The Central University of Kashmir has opened the School of Education in 2011 which started functioning from the academic session June-2012. School of Education offering M.A. Education, B.Ed., M.Ed., Integrated B.Ed.--M.Ed. (3Years), M.P. Ed., M. Phil., Ph.D. and P.G. Diploma in Guidance and Counselling (PGDGC) programmes. Keeping in view the vision and mission statements of Central University of Kashmir, the School of Education has successfully taken many initiatives and innovative steps in order to realize the achievement of goal of excellence in education in general and higher education in particular. Right from its inception (2012), the School has been striving for providing good quality of education in terms of using modern technologies in teaching learning processes, evaluating students through continuous and comprehensive evaluation system, enrolling/admitting students from diverse social, regional and geographical backgrounds and developing inclusive ethos as a trend of working among various stakeholders. School of Education is showing keen interest for the enhancement and maintenance of quality standards of the University. The school has constructed the Student Feedback Performa through which the student assesses the teacher and the university as a whole. The School has collected the feedback forms from students through nodal officers of IQAC. Department has prepared the Curriculum Transactional Strategy (CTS) for making the teaching-learning process more effective and efficient. A model of the same prepared by the school was circulated to all the Departments for consultation and further necessary action. The school is publishing a peer-reviewed research journal.

About the Department of Economics

The Department of Economics, established in 2011, is one of the main constituent departments of the Faculty of Social Sciences. Since its inception, the Department of Economics has been committed towards promoting High Quality Teaching & Economic Research. The Department aims to acquaint students with problems of the economy and enable them to cope up with professional competency. The dedicated and sincere faculty of the Department is devoted to enhance the capabilities and capacities of the students by creating opportunities in rural as well as urban segments of the economy. The Department at present offers Programme of M.A., MPhil & PhD. The teaching Programme in the Department are focused on proper blending of 'quality' and 'relevance'. Teaching & learning in the Department is defined by a diverse range of academic offerings & exposure to a multiplicity of paradigms. Other than teaching assignments, the Department is also involved in academic and research activities such as conducting workshops and seminars. The course structure incorporates a balance of Theoretical Analysis & Quantitative Reasoning. The faculty has also made several research based contributions in major fields of economics. Programmes offered presently: 1. M.A Economics (intake capacity 46/year) 2. Ph.D. Economics

Research Methodology Workshop

The quality of research is long due over the years in India. The University Grants Commission (UGC) and other research bodies framing regulations to maintain quality research in Higher Education Institutions (HEIs) in our country. There is dire need of our HEIs to be placed in top world ranking institutions list. A step forward to look for more scientific innovations and startups and patents are to be filed in India, which is strong base for holding of quality research. Some novice research scholars in our HEIs need to be exposure to get top world ranking level research.

The above realities concerning social science research no doubt had a welcome effect on both the quantity and the quality of research. Yet it throws compulsions on researchers of underprivileged category, particularly the ones who belong to women, schedule tribe and socially and economically backward castes in hilly states of Northern India to acquaint themselves with the latest advances in research methods and techniques, and thereby acquire the threshold level of capabilities for undertaking and accomplishing independent researches in a meaningful manner. Many a time researcher find difficult to publish their research outcomes in the format of papers/reports in reputed journal. The core objective of the workshop would be to develop skills in the areas of construction and application of scientific research methodology, data analysis through use of software and computer applications among the participants from hilly states. Moreover, the purpose of this course is also to provide an overview on the concepts and theories of different areas of research, formulation of research proposal and techniques of solving problem. The aim is to give participants knowledge of preparing a project proposal and conducting a research project. The course is expected to benefit participants from all social sciences. This Programme will be beneficial to primarily all those, pursuing their doctoral work, college or university teachers, or members of recognized research institutions who are engaged

in doctoral work. The workshop intends not only to enhance their knowledge on the subject, but also to strengthen their skills in data collection, information analysis and effective presentation of results. A problem-solving approach will be used during the course by the Resource Persons in addressing concrete questions of the participants.

Objectives of the Course

- To develop among participants a comprehensive understanding towards application of scientific research methodology.
- To provide an overview of the concepts and theories of research methodology used in scientific research.
- To teach research scholars about qualitative and quantitative research design.
- To enhance skills for formulation of research design, developing research questions and hypotheses and collection and analysis of data;
- To develop scientific understanding among the participants about different tools and techniques of research linking it with their on-going research.
- To main objective of the workshop is to develop the skills among the participants to use SPSS in social science research.
- In the workshop we aim to give hands on training to the participants about use of statistical techniques in data analysis using SPSS in the field of social sciences.
- To make Research Scholars aware, regarding thesis writing and research papers writing.
- To help the researchers/participants in getting practical editorial support under mentorship and helping participants to publish in reputed peer/ reviewed journal just after the program.

Expected outcome from the workshop

- Introduce the students to new developments in research methodology.
- Enable the participants to have a thorough understanding of methods and applications in social science research.
- Expose the participants to handle statistical methods in social science research.
- Train the participants in the use of computer technologies to enhance research output.
- Enhance research scholar's abilities in conducting systematic empirical research in social sciences.
- This Workshop Program is promotion of excellence in research in the social sciences. The aim of the Workshop Program is to develop the research scholars in social sciences and to focus specialist attention on them.

Registration Fee: There will be no registration fee.

How to Apply

Interested candidates may apply to Course Director by filling up the registration form given at the end of this brochure. The application should reach to course director on or before 20 October, 2022. The duly filled registration form should be forwarded by the head/ supervisor along with required documents (Brief CV of the applicant, copy of admission/ registration letter of M.Phil./ Ph.D./PDF, caste/community certificate and one-page write-up on research topic), and should be sent through email: cukrmc22@gmail.com. The shortlisted participants will be informed by 25 October, 2022.

Selection of Participants

The total number of seats in RMC is limited to 30, and among them ten (10) will be from local, ten (10) from within the state and ten (10) from other states of India.

Eligibility Criteria

All registered M.Phil., Ph.D. and PDF Scholars in Social Science disciplines from the recognized universities/Research institutes of India are eligible to participate. First-time applicants for the Research Methodology Course will be preferred. Preference will be given to Women, SC, ST and OBC categories. Besides them young faculty members who are pursuing PhD in Social Sciences are also eligible in this course.

Accommodation & Travel Allowance

Accommodation will be provided to all the outstation participants and will be accommodated in an around Ganderbal & Srinagar. Travel allowance (bus or train fare, sleeper class only) will be reimbursed to the outstation participants only.

Duration & Venue of the Workshop on RMC

The Workshop on RMC will be conducted from 14th to 23rd November, 2022 at the Department of Education and Department of Economic, Green Campus Opposite Degree College Ganderbal / Tulumulla main campus of Central University of Kashmir Ganderbal, (J&K) India 191131.

Important Dates	
Last Date of Registration	20 October, 2022
Intimation to selected candidates through registered email	25 October, 2022
Date of RMC	14 th - 23 rd November

Registration Form

1.	Name (in Capital Letters):
2.	Date of Birth:
3.	Educational Qualifications:
4.	Gender (Male/Female):
5.	Category (General/SC/ST/OBC/EWS/PWD):
6.	Marital Status: Married/ Unmarried
7.	Pursuing M.Phil./ Ph.D./PDF in the subject of:
8.	Date of M.Phil./Ph.D./PDF Registration:
9.	Topic of Research:
10.	Area of Specialization:
11.	Present Status of Research work:
12.	Department:
13.	Name of the Institution and /or University (M.Phil./ Ph.D./PDF enrolled):
14.	Mobile No. Email id:
15.	Accommodation required: Yes/No:
16.	Have you attended Research Methodology Programme? Yes or No, if yes Please give detail:----- -----

I hereby certify that all the information given above is correct to my knowledge

Date:

Place:

(Signature of the Applicant)

Recommendation of the Forwarding Authority (Head/Supervisor)

I recommend Mr./Ms.....Research Scholar.....
 (Name of the Department & Institution Full Name) for ICSSR sponsored Ten Days Research Methodology Course for M. Phil/ Ph.D./ PDF Scholars in Social Sciences organized by Department of Education & Department Economics, Central University of Kashmir, Jammu and Kashmir from 14th to 23rd November, 2022. She/he will be relieved/ allowed for the duration of the Programme in order to participate in the Programme, if selected.

(With signature and seal)
(Head/Supervisor)
