

Central University of Kashmir

Department of Students Welfare

Circular/12/2017

Attention Students:

It has been reported by the Government Railway Police Station Srinagar vide Letter No: 676/5A/17/GRPS dated 18-11-2017 that the students of the University who come from various districts particularly South Kashmir and board/de-board at Railway Station Nowgam use Railway track as a short-cut to reach the destination which is prohibited by law and hence highly objectionable. Such irresponsible behaviour by any person is to invite danger to the life of the person and no conscious society can approve of it. The students of the University are the responsible citizens and are expected to demonstrate utmost care and caution in upholding the sanctity of law which is in their own-interest in the first place.

All the students and also the employees of the University are therefore cautioned not to make unauthorised use of railway track and demonstrate a sense of good citizenship as the brand ambassadors of the University. Any violation of law shall entail drastic consequences and also risk the life of the pedestrian.

The University has zero tolerance policy for any such violation and will be seriously dealt with as per the norms of the university.
