Notice

It is for the information of all the pass-outs/ alumni of School of Education to provide their academic and placement details, as this will help the department in connecting to the alumni and maintaining the record. The alumni record is a part of follow-up service as it will provide knowledge about the student progression in different fields of life. Besides the department is soon going to organize a placement drive in different districts which will be for the pass-outs of the school and the students who are in their terminal semesters, the record can help in identifying the students who can enroll for the drive. As such it is requested to upload your academic and placement details by clicking on the link below:
