

Notice

In order to address the grievances of all those candidates who could not register with Central University for Admission to Integrated BSc-MSc Biotechnology and Zoology due to their eligibility issues or any other problem. Thus, it is for the information of all the candidates that the eligibility has been relaxed as:

"For admission to Integrated BSc-MSc Biotechnology and Zoology the candidates having appeared in CUET-2022 in Zoology or Biotechnology/Biology or both are eligible to register but in the first instance, merit of subject Zoology shall be considered for admission to the subject of Zoology and that of Biotechnology/Biology for the subject of Biotechnology".

Candidates are required to register online with the Central University of Kashmir from 10-11-2022 to 13-11-2022 to be considered.
